Bollin Label

Created with safety in mind, Bollin's new 'Safety Seal' label helps reassure customers that their food is safe and ready to enjoy. Tamper-evident slits will break if the label is removed by anyone other than the customer.

Safety Sealed with tamper Label

Safety Sealed

101430
1" x 3"/500 per roll
*Tamper circles do not print

BENEFITS

- **Security Assurance:** Tamper-proof labels provide a heightened level of security by indicating any attempt to tamper with the product.

- **Product Authenticity:** Tamper-proof labels act as a visible indicator of the product's authenticity. Consumers can trust that the product has not been altered or compromised during the transportation and delivery process.

- **Regulatory Compliance:** In industries where strict regulations govern product safety and quality, tamper-proof labels assist in meeting and maintaining compliance.
